Contributions are not deductible for federal income tax purposes. Contributions are voluntary and used for political purposes. The amount indicated is merely a guideline. The REALTOR® Associations will not favor or disadvantage anyone by reason of their contribution amount. You may refuse to contribute. Until PSF reaches NAR's goal, 30% of your PAC contribution is sent to National RPAC to support federal candidates and is charged against your limits under 52 USC 30116 and 70% of the contribution stays at the state and local levels and is used to support state and local candidates and a portion of this may be used for issues. After PSF reaches its goals, it may elect to retain your entire contribution for use in supporting state, and local candidates or issues. (Major donor levels may not be subject to this provision.) Federal law prohibits PSF/NV RPAC from soliciting contributions from individuals who are not members of the National Association of REALTORS®.
